

Neepawa Golf & Country Club

Spring Newsletter 2022

PRESIDENTS REPORT

After a very harsh winter is it great that we can see Golf in our not to distant future. As we continue to be living in Covid times it is hard to say what the 2022 golf season will look like, but rest assured that we are committed to making the season a great experience for our Members and green fee players. We will still need to be diligent in our covid-19 protocols and ensure that we are providing a safe environment for all. As in the past, if we follow the Club's requirements and procedures in place we can all enjoy this great game for another season.

We welcome back Landon Cameron as our Golf Pro and General Manager of the Neepawa Golf and Country Club. Landon provides our Club with great leadership and really promotes our Club in a positive manner. Landon is always looking for opportunities to bring Provincial and local tournaments to our Club. These tournaments have been very successful for us and we thank all the volunteers in helping out when asked to do so.

Every year Landon's inventory includes a very good variety of golf apparel for ladies and men. Landon stocks a variety of golf balls to appease all golfers' favorites. TaylorMade clubs and bags are also available from Junior to adult. There is no reason to shop out of town for your golfing needs.

If lessons are needed, Landon can help you with that as well.

We also welcome back Mark Kerkowich as Grounds Superintendent. Mark and his staff insure we have a quality course to play, on a day to day basis. The last couple of years have been very trying but Mark and his staff have provided us with some excellent playing conditions. Congratulations go out to Mark as he was named MGSA Superintendent of the year. Well done, Mark.

After the breaches and flooding of 2020, we still have some repairs to complete. Most of these changes and upgrades are expected to be done in the off seasons so there is no disruption to daily play. Let's hope Mother Nature is kind to us this year with just the right amount of rain and sunshine.

The Club House is still somewhat of an unknown variable. We really want to get the Clubhouse open more so that all leagues have the availability of it, and we can provide all patrons with great food and the most scenic view in Neepawa. We really want everyone to be able to enjoy the whole social aspect that the Golf Club can provide.

In closing, the Board and I appreciate your continued support and we look forward to seeing everyone back and enjoying the greatest summer pastime ever, GOLF.

Warren McLeod

President

2022 Board of Directors

President: Warren McLeod

Vice Pres: Dan Free

Secretary: Loretta Free

Treasurer: Craig Johnston

Directors: Lynda Lowry, Grant Babcock, Preston Jarema, John Kilburn, Marc Giroux, Kevin Levandosky, Brett Wilson

Pro-Shop Report

Welcome back for another exciting year. (Hopefully one with no covid restrictions)

Pro-shop news, I have some of my 2022 inventory already in the proshop and the lines I will be carrying will be like 2021. Taylormade, Titleist and Under Armour (clothing and footwear) along with NIKE footwear which will be new for this year.

Take a look at the new Stealth gear from Taylormade Golf. <https://www.taylormadegolf.ca/>

We will again be continuing our regional reciprocal agreement where our members can play at other courses in the area for 50% off the green fees please make sure you get your member card when you register in the proshop, we should take more advantage of this agreement.

Westman Golf Pass

Receive 50% off green fees at the following clubs:

Birtle	Boissevain	Carberry	Cartwright	Deloraine	Glenboro
Hamiota	Hartney	Killarney	Melita	Miniota	Minnedosa
Neepawa	Oak Lake	Rapid City	Reston	Rivers	Rossman
Shilo	Shoal Lake	Souris	Wheat City		

SOME RESTRICTIONS MAY APPLY

Thanks for your continued support

Landon Cameron

We are actively looking to get back to a full time restaurant, but are having trouble finding cooking staff. If you know of someone who may be interested please have them contact me.

Grounds Report

First and foremost, I would like to thank all staff and volunteers for their tireless effort last year. It was another challenging year, but the course would not be where it is today without all the work put in. Thank you to everyone who contributed.

With the 2022 golf season approaching, our grounds crew is very excited for the upcoming year. It will obviously be a later start than most years, but we will get things ready for play as soon as possible. We are excited to see some new equipment arriving this spring. This purchase will help us provide the best playing conditions possible. We are also in the planning stages of an irrigation renovation. Most of this project will take place on our old 9 irrigation system. Again, we are in the early stages of the design process but look forward to updating our membership along the way. Installation will most likely not take place until 2023. Lastly, we are looking forward to implementing a tree planting program in 2022. Several young trees will be transplanted throughout the course this spring.

Thank you to the membership for their continued support. I look forward to seeing everyone on the course soon.

Mark Kerkowich
Superintendent NGCC
